## It All Started with a Generous Gift!

*When Wilbur and Harold Sorenson bequeathed a generous gift to the Exira Public Library, no one was sure where it would lead the Library. Today, we are proud to acknowledge that the Sorenson brothers, together with many generous Exirans and civic organizations, have allowed the Library to remodel and expand into an adjacent storefront, effectively doubling the size of the library! By purchasing an etched glass block, you can help!*

Draft Plans of the Expansion/Remodel

---

# Order Form

Each block costs \$60.00, with unlimited wording. However, remember that the more words etched on the block, the smaller the printing!

**Your generous gift will be used toward the Expansion/Remodel of the Library. Funds will be used for construction costs as well as to purchase new furnishings, computers, and meeting room essentials. In addition, your gift will help to assure that we meet the needs of our patrons in other ways (genealogy resources, items with local historical significance, equipment for Storytime, etc.).**

**Thank you for your support!**
